

## You Ku`uipo

Lyrics by Gilbert Belmudez

Vamp: C7 F

On this island I found a way, To see the beauty in passing day.  
Flowers that impel my love, Moments that some only hear of.  
Loving under a waterfall, Hearing the owl's midnight call.  
Whispers from the ocean shell, Whispers that you and I can tell.

*(Chorus)*

And You Ku`uipo, bring these moments to my mind.  
For you Ku`uipo, Are an island one of a kind. One of a kind.

In this land I found a way, To feel the beauty of passing days  
Rainbows jewels of a misty crown, Craters cover with a silken gown.  
Star that always shone so bright, Scatter throughout the lovely night.  
Where true love befell my soul, True love that came upon a grassy knoll  
*(Chorus)*

Loving under a waterfall, Hearing the owl's midnight call.  
Whispers from the ocean shell, Whisper that you and I can tell  
Stars that always shone so bright, Scatter throughout the lovely night.  
Wet your love befell my soul, True that came upon a grassy knoll  
*(Chorus)*
